

# Our Energy Barcombe

Barcombe Village Hall  
Sat 13 Nov 2021 10am–2pm

## Learn how to:

- **Save money on energy bills** by making your home more efficient
- **Install green technology** like heat pumps, electric vehicles, solar panels and batteries
- **Get involved** with the CommuniHeat project, creating a plan for Barcombe to reach zero emissions

*With fun activities for kids, informative talks, local stalls, tea and cake.*

## Community is Power
